SUBJECT: CIPC Monthly Report--November 1985

25X1

4. Critical Intelligence Problems:

As noted earlier, at its 18 November meeting, the Committee addressed a number of topics that had been identified by the CIPC members as critical intelligence problems. As a result of this discussion, the Committee identified seven topics that warranted CIPC consideration, pending DCI approval. The seven candidate topics have been forwarded to you and the DCI.

5. Soviet Ballistic Missile Defense (BMD):

In last month's report, we noted that the DCI had approved the CIPC's Follow-up Report on Soviet Ballistic Missile Defense. The follow-up report has been printed in final form and is being disseminated to the appropriate recipients for information and implementation, as appropriate.
